TERMS OF THE TENDER OFFER

Introduction to the Tender Offer

On the terms and subject to the conditions contained in the Tender Offer Memorandum, the Company invites Qualifying Holders (subject to the offer restrictions contained herein) to tender their Existing Bonds for purchase by the Company for cash (the “**Tender Offer**”) equal to the Tender Consideration and any applicable Accrued Interest Amount upon the terms and subject to the conditions of the Tender Offer as further described below, up to the a maximum acceptance amount expected to be equal to the aggregate principal amount of the New Bonds (as defined below) (the “**Maximum Acceptance Amount**”). The Company will announce the Maximum Acceptance Amount as soon as reasonably practicable following the pricing of the New Bonds. The Company reserves the right to increase or decrease the Maximum Acceptance Amount, in its sole and absolute discretion. The Tender Offer will expire at 4:00 p.m., Paris Time, on 26 November 2021 (the “**Expiration Deadline**”), unless extended, earlier terminated or withdrawn at the sole and absolute discretion of the Company as described in the Tender Offer Memorandum.

The Company today announces its intention, subject to market conditions, to issue euro-denominated unsecured bonds (the “**New Bonds**”).

The purpose of the Tender Offer and the contemplated issuance of New Bonds is, amongst other things, to proactively manage the Company’s debt profile and to extend its average maturity. It is intended that Existing Bonds purchased by the Company pursuant to the Tender Offer will be immediately cancelled by the Company.

A Qualifying Holder who wishes to subscribe for New Bonds in addition to tendering or indicating its firm intention to tender Existing Bonds for purchase pursuant to the Tender Offer may, at the sole and absolute discretion of the Company, receive priority in the allocation of the New Bonds, subject to such Qualifying Holder making a separate application for the subscription of such New Bonds to one of the Managers (as defined in the Tender Offer Memorandum) in accordance with the standard new issue procedures of such Manager (see “*Priority Allocation in the New Bonds*” below).

The Company may decide not to accept for tender any Existing Bonds and may decide to apply Pro-ration Factor to Existing Bonds validly tendered by Qualifying Holders at its sole and absolute discretion (see “*Pro-ration*” below).

Existing Bonds which have not been successfully tendered and accepted for purchase by the Company pursuant to the Tender Offer will remain outstanding after the Settlement Date.

Whether or not the Company will accept for purchase Existing Bonds validly tendered pursuant to the Tender Offer is at the sole and absolute discretion of the Company and is subject, without limitation, to, and conditional upon, on or before the Settlement Date, the settlement of the New Bonds (the “**Transaction Condition**”). The Company is entitled to amend or waive the Transaction Condition at its sole and absolute discretion.

In the event the nominal amount of Existing Bonds tendered to the Company for purchase exceeds the Maximum Acceptance Amount, then tenders for purchase of the Existing Bonds received prior to the Expiration Deadline will be accepted on a pro-rata basis (see “*Pro-ration*” below).

As described in the section “Expected Timetable” of the Tender Offer Memorandum, as soon as practicable after the Expiration Deadline, the Company will announce (a) whether or not the Company will accept for purchase any valid offer of Existing Bonds; and (b) if so accepted (such acceptance remaining, however, subject to the satisfaction or waiver of the Transaction Condition), (i) the aggregate principal amount of Existing Bonds validly tendered; (ii) the Pro-ration Factor (if any); (iii) the aggregate principal amount of Existing Bonds validly tendered and accepted for purchase; (iv) the aggregate principal amount of Existing Bonds that will remain outstanding after the Settlement Date (if any); (v) the Tender Offer Price; and (vi) any Accrued Interest in respect of Existing Bonds accepted for purchase. Such announcement will be submitted to the Clearing Systems and published by way of announcement on a Notifying News Service, on the website of the Company (www.tdf-infrastructure.com) and on the website of Euronext Paris (www.euronext.com).

Notwithstanding any other provisions of the Tender Offer, the Tender Offer is further conditional upon there not having been threatened, instituted or pending any action or proceeding before any court or governmental, regulatory or administrative body that (i) makes or seeks to make illegal the payment for, or acceptance of payment for, any of the Existing Bonds pursuant to the Tender Offer; (ii) would or might result in a delay in, or restrict, the ability of the Company to accept for payment or to pay for any of the Existing Bonds or (iii) imposes or seeks to impose limitations on the ability of the Company to purchase, exchange or cancel the Existing Bonds.

The submission of a valid Electronic Instruction Notice or Acceptance Notice will be irrevocable (except in the limited circumstances described in “*Amendment, Termination, Withdrawal or Extension*” of the Tender Offer Memorandum).

None of the Company, the Dealer Managers, the Tender Agent or the Information Agent makes any recommendation as to whether or not Qualifying Holders should submit Existing Bonds for purchase.

The Tender Offer

The amount payable by the Company for the Existing Bonds validly tendered and accepted by it for purchase pursuant to the Tender Offer will be an amount equal to the aggregate of (i) the Tender Consideration and (ii) any Accrued Interest Amount.

The Settlement Date is expected to be on 1 December 2021, on which date the Company will pay, subject to the satisfaction or waiver of the Transaction Condition, the Tender Consideration and any Accrued Interest Amount to the Qualifying Holders who have validly tendered for purchase Existing Bonds under the Tender Offer and whose tenders have been accepted.

The Company may reject tenders of Existing Bonds for purchase that it considers, in its sole and absolute discretion, not to have been validly made and the Company is under no obligation to any relevant holder of Existing Bonds to provide any reason or justification for refusing to accept any such tender of Existing Bonds for purchase.

Payment of Accrued Interest Amount and Tender Consideration

Any payment to a Qualifying Holder of the Tender Consideration and the Accrued Interest Amount pursuant to the Tender Offer, will only be made by the relevant Clearing System for the Qualifying Holders through Euroclear France, Euroclear and Clearstream. The payment of such Accrued Interest Amount or the Tender Consideration to such Clearing System and by such Clearing System to such Direct Participant will satisfy the respective obligations of the Company and such Clearing System in respect of the purchase of such Existing Bonds. Under no circumstances will any additional interest or other amount be payable by the Company to a Qualifying Holder due to any delay for whatever reason in the transmission of funds from the relevant Clearing System with respect to such Existing Bonds of that Qualifying Holder.

Accrued Interest

On the Settlement Date, the Company will pay or procure that there is paid on its behalf, subject to the satisfaction or waiver of the Transaction Condition, to all Qualifying Holders who have validly tendered their Existing Bonds for purchase pursuant to the Tender Offer and which are accepted for purchase by the Company, an amount in cash equal to interest accrued and unpaid on the Existing Bonds from (and including) the immediately preceding interest payment date in respect of the Existing Bonds up to (but excluding) the Settlement Date and calculated in accordance with the terms and conditions of such Existing Bonds.

Provided that the relevant funds have been deposited with the relevant Clearing System on or before the Settlement Date, no additional interest or other amount will be payable for the period of any delay in receipt by any Qualifying Holder of the Accrued Interest Amount.

Tender Offer Price

The Tender Offer Price will be determined by the Company in consultation with the Dealer Managers and in accordance with market convention and expressed as a percentage of each Existing Bond of €100,000 specified denomination accepted for purchase pursuant to the Tender Offer (rounded to the nearest 0.001 per cent., with 0.0005 per cent. rounded upwards) and is intended to reflect a yield to the First Pre-Maturity Call Date on the Settlement Date based on the Tender Offer Yield. Should the Settlement Date be amended, the Tender Offer Price will be recalculated. Specifically, the Tender Offer Price for the Existing Bonds will equal (a) the value of all remaining payments of principal and interest on the Existing Bonds up to, and including, the First Pre-Maturity Call Date, assuming the specified denomination of each Existing Bond were to be paid on such First Pre-Maturity Call Date and that the Company does not elect to defer the payment of any such interest on the Existing Bonds in accordance with their terms, discounted to the Settlement Date at a discount rate equal to the Tender Offer Yield minus (b) Accrued Interest Amount.

Pro-ration

All valid tenders for purchase may, in the sole and absolute discretion of the Company, be accepted, subject to pro-ration if the aggregate principal amount of Existing Bonds validly tendered pursuant to the terms of the Tender Offer exceeds the Maximum Acceptance Amount.

Such pro rata allocations will be calculated by multiplying a Pro-ration Factor by the aggregate principal amount of the Existing Bonds represented by (i) each Electronic Instruction Notice which has been reflected in a notice (if applicable), as provided by the Tender Agent to Euroclear and Clearstream, delivered by or on behalf of Euroclear or Clearstream; or (ii) in the case of Acceptance Notices, each Acceptance Notice subject to pro-ration.

The Pro-ration Factor (if any) of Existing Bonds accepted for purchase shall be calculated by the Tender Agent in consultation with the Company and the Dealer Managers as soon as practicable after the Expiration Deadline as the aggregate principal amount of Existing Bonds accepted for purchase by the Company divided by the aggregate principal amount of such Existing Bonds validly tendered, rounded to the nearest 0.000001 (with 0.0000005 being rounded upwards). Such pro-ration will be subject to adjustment, following the rounding of Offers to Participate, such that the aggregate principal amount of Existing Bonds which the Company would purchase after applying such Pro-ration Factor would be equal to the Maximum Acceptance Amount. Each offer to tender for purchase of Existing Bonds reduced in this manner will be rounded down to the nearest €100,000 in nominal amount of the Existing Bonds.

In addition, in the event of any such pro-ration:

- A. Reasonable endeavours will be used to apply pro rata scaling (to the extent practicable, and adjusted as may be applicable) to each valid tender in such a manner as will result in both (i) the relevant Qualifying Holder transferring to the Company an aggregate principal amount of at least the specified denomination of the Existing Bonds (unless the relevant Offer to Participate is rejected in its entirety, as described in paragraph (B) below), and (ii) the relevant Qualifying Holder's residual amount of Existing Bonds (being the principal amount of the Existing Bonds the subject of the relevant Offer to Participate that are not accepted for purchase by virtue of such scaling) amounting to, in each case, either (i) at least €100,000 or (ii) zero, and (subject as provided in paragraph (B) below) the Company therefore reserves the right (but shall not be obliged) to adjust the pro-rata scaling applicable to any relevant Offer to Participate accordingly; and
- B. If following the application of the pro-rata scaling (prior to any adjustment as referred to in paragraph (A) above), the principal amount of Existing Bonds otherwise due to be accepted for purchase from a Qualifying Holder pursuant to an Offer to Participate would be less than €100,000, the Company may in its sole and absolute discretion choose to (i) accept at least €100,000, being the specified denomination of the Existing Bonds or (ii) reject the relevant Offer to Participate in its entirety.

Priority Allocation in the New Bonds

A Qualifying Holder who wishes to subscribe for New Bonds in addition to tendering or indicating its firm intention to tender Existing Bonds for purchase pursuant to the Tender Offer may, at the sole and absolute discretion of the Company, receive priority (the “**New Bonds Priority**”) in the allocation of the New Bonds, subject to such Qualifying Holder making a separate application for the subscription of such New Bonds to one of the Dealer Managers in its capacity of Manager of the issue of the New Bonds and in accordance with the standard new issue procedures of such Manager.

Such priority will be given for an aggregate principal amount of New Bonds up to the aggregate principal amount of the Existing Bonds validly tendered or firmly indicated to be tendered by that Qualifying Holder and accepted for purchase by the Company pursuant to the Tender Offer and will be given over any investor who is applying for purchase of such New Bonds without having Existing Bonds accepted in the Tender Offer.

The denomination of the New Bonds will be €100,000.

A key factor in the allocation of the New Bonds will be whether Qualifying Holders have validly tendered or indicated their firm intention to the Company or the Dealer Managers to tender their Existing Bonds. When considering allocation of the New Bonds, the Company may intend to give preference to those Qualifying Holders who, prior to such allocation, have validly tendered or indicated their firm intention to the Company or any of the Dealer Managers to tender the Existing Bonds and subscribe for New Bonds. However, the Company is not obliged to allocate the New Bonds to any Qualifying Holder who has validly tendered or indicated a firm intention to tender the Existing Bonds pursuant to the Tender Offer. Any allocation of the New Bonds, while being considered by the Company as set out above, will be made in accordance with customary new issue allocation processes and procedures.

To request New Bonds Priority, a Qualifying Holder should contact a Dealer Manager (in its capacity as a Manager of the issue of the New Bonds) using the contact details on the last page of the Tender Offer Memorandum.

The pricing of the New Bonds is expected to take place prior to the Expiration Deadline and, as such, Qualifying Holders are advised to contact a Dealer Manager (in its capacity as a Manager of the issue of the New Bonds) as soon as possible prior to the Expiration Deadline and prior to the pricing of the New Bonds in order to request New Bonds Priority.

This notice and the Tender Offer Memorandum are not an offer to buy or sell, or a solicitation of an offer to sell or buy, any New Bonds or other securities in the United States or any other jurisdiction. Securities may not be offered or sold in the United States absent registration under, or an exemption from, the registration requirements of the Securities Act. The New Bonds have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States, and may not be offered, sold or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, U.S. Persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

The target market for the New Bonds is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, “**MiFID II**”) and the New Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of MiFID II, (ii) a customer within the meaning of Directive (EU) No. 2016/97 (as amended, the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II or (iii) not a qualified investor as defined in Article 2 of the Prospectus Regulation.

The application to receive priority in the allocation of New Bonds does not constitute an offer or acceptance by any Qualifying Holder to purchase New Bonds, and any investment decision to purchase any New Bonds should be made solely on the basis of the information contained in the prospectus to be prepared by the Company in connection with the admission to trading of such New Bonds, which will be available from the relevant Managers, and no reliance is to be placed on any representations other than those contained in such prospectus.

For the avoidance of doubt, the ability to purchase New Bonds is subject to all applicable securities laws and regulations in force in any relevant jurisdiction (including the jurisdiction of the relevant Qualifying Holder and the selling restrictions set out in the prospectus). It is the sole responsibility of each Qualifying Holder to satisfy itself that it is eligible to purchase New Bonds before requesting New Bonds Priority.

Amendment, Termination, Withdrawal or Extension

Subject as provided in the Tender Offer Memorandum, the Company may, at any time and in its sole and absolute discretion, (i) amend or extend the Tender Offer; and (ii) waive the Transaction Condition; and (iii) terminate or withdraw the Tender Offer (including, but not limited to, where the Transaction Condition has not been satisfied) at any time prior to the announcement by the Company of whether the Company intends to accept any Existing Bonds for purchase.

If the Company terminates the Tender Offer, any Existing Bonds offered for sale will not be purchased.
